HVAC/CR	\$ 4,817.00	\$ -	\$ 1,942.00

STUDENT PERFORMANCE

Federal Disclosure Requirement

In an effort to help students make informed decisions on their education, whether it be at the Advanced Training Institute or another institution, we are offering the following graduation and placement rates:

HVAC/CR Technologies Program:

83% or 117 of the 141 enrolled students scheduled to graduate in 2010 graduated on time.

71% or 72 of the 101 graduates that were available for placement found jobs in field or a related field.

Note:

Please refer to the Department of Labor website (<http://www.bls.gov>) for more information regarding the employability and availability of this occupation.
